

# MOHAWK COUNCIL OF AKWESASNE

*Tetewaie:na - Honoring the past, facing today's challenges, building a strong future.*

Prepared by; Corey Tarbell

Project Lead for; Aboriginal Conservation Program/Housing Inspector for MCA

Date; 01/11/2016

To; ABOR Group

I would like to thank the ABOR Group in their involvement with the delivery of the Aboriginal Conservation Program (ACP) to Akwesasne. The ABOR Groups professionalism was a key factor in the implementation of the ACP to Akwesasne and fifteen other First Nations across Ontario. The ABOR Group was responsible for the community launch along with the training of local individuals to perform home energy audits and assessments. This program was under some severe time constraints with the amount work that needed to be completed. The community launch was a huge success in Akwesasne; many community members attended the launch (this is rare in Akwesasne). The training of individuals created some local employment and opportunities. There was much positive feedback from community members in Akwesasne. I would like to make a special thanks to Carla, Drew and Logan for their patience and understanding with me in the implementation of this program. I would recommend the ABOR Group for other programs like this for any First Nations communities. The ABOR Group showed professionalism, organization and communication skills like no other. The Akwesasne community thanks you for all your hard work in this program and would be happy to work with the ABOR Group on future endeavors.

Nia;wen Kowa
